Energy Management Policy

Introduction

St. Joseph's Training College, Pavaratty, is committed to sustainable development through improved energy efficiency and reduced energy intensity. In alignment with the Energy Conservation Act, 2001, our Environment and Energy Usage Policy aims to systematically manage energy usage to minimize environmental impact. This policy emphasizes the exploration of renewable energy resources to alleviate the burden on the government and to find substitute natural resources as solutions to the energy crisis. This comprehensive policy is binding for all components of the institution, applying to all stakeholders and activities.

Objectives

- **Enhance Energy Efficiency:** To embed energy efficiency and environmental awareness into daily activities.
- **Promote Renewable Energy:** To explore and utilize renewable energy resources, particularly solar power.
- **Educate and Involve Stakeholders:** To raise awareness and provide training on energy conservation among students, staff, and other stakeholders.
- **Sustainable Development:** To ensure all construction and renovation activities adhere to sustainable development norms.

Policy Statements

- **Reduction of Air Pollution:** Encourage the use of environment-friendly vehicles, including bicycles, special parking and free charging areas for electric vehicles (EVs), and public transportation to reduce local air pollution emissions.
- **Solar Energy Utilization:** Install and maintain photovoltaic 10KW solar panels for alternate energy generation, aiming to meet the institution's energy requirements and support nearby institutions with surplus energy.
- **Energy-Efficient Lighting:** Implement the use of LED bulbs and tubes across the campus to reduce energy consumption.
- **Training on Energy Saving:** Provide regular informations and instructions on energy-saving measures to all stakeholders.

Dr. DEEPA VARGHESE
Principal
St. Joseph's Training College
Pavaratty - 680 507, Thrissur

- **Awareness Through Visual Reminders:** Our college displays informative posters on walls to raise awareness about energy-saving practices, ensuring that all stakeholders are regularly reminded of the importance of energy management.
- **Energy Audit:** To assess energy consumption patterns and improve efficiency, focusing on solar power, and conservation practices.
- **UPS Systems:** we equipped with a reliable UPS system to ensure continuous power supply during outages. The campus features a 3 kW online UPS, two offline UPS units (5 kW and 6 kW), and a 6 kW inverter UPS, enhancing operational efficiency and reliability.
- **Computers and printers :** we make sure Computer to be turned off at the end of the day and photocopier machines and printers to be in the standby mode when not in use.

Implementation and Monitoring

The implementation of the Energy Management Policy involves the active participation of all institutional components. The management, staff, and students are encouraged to support and engage in energy conservation measures. Specific steps include:

- **Monitoring Construction and Renovation:** Ensuring adherence to sustainable development norms and the integration of non-conventional energy sources during construction and renovation processes.
- **Installation and Maintenance:** Regular installation, monitoring, and maintenance of solar panels, LED lighting, and rainwater harvesting systems.
- **Training Programs:** Conducting training and awareness classes on energy conservation for students and staff.

The policy will be reviewed regularly by the principal. Progress will be tracked, and necessary adjustments will be made to ensure the policy's effectiveness.

Conclusion

St. Joseph's Training College is dedicated to managing energy usage responsibly and sustainably. Through our comprehensive Energy Management Policy, we aim to reduce our environmental impact, promote renewable energy, and enhance energy efficiency across the campus. By educating and involving our stakeholders, we are committed to fostering an environmentally aware and proactive community. This policy will be communicated regularly and made accessible to all stakeholders to ensure continuous engagement and improvement in our energy conservation efforts.

NOTICE

Subject: *Awareness on EV Charging Facilities in Campus*

It is hereby informed to all faculty members and students that our college has established a dedicated Electric Vehicle (EV) parking and charging area. The facility includes four 20 Ampere power plugs, available for free use by staff and students.

This initiative aims to promote sustainable practices and encourage the use of eco-friendly transport options on campus. You are encouraged to make full use of this facility and contribute to our ongoing efforts in reducing our carbon footprint.

For any further information or assistance regarding the EV charging area, please contact the office.

Let us work together towards a greener future.

To all Staff and Students,

This is to inform you that the authorities of Pavaratty Grama Panchayat have notified us that they will be collecting disposable waste materials (including paper, plastic, cotton, polystyrene foam, etc.) from our campus on a monthly basis under the "Haritha Karma Sena" scheme.

In light of this initiative, all staff and students are hereby requested to deposit their disposable waste materials in the designated bags provided within the college premises. It is imperative that waste is not discarded haphazardly, and adherence to these guidelines is essential for maintaining our campus environment.

Dr. DEEPA VARGHESE

The screenshot shows the AISHE institutional login page. At the top, there are logos for the Government of India, Ministry of Education, and AISHE. The page title is "उच्चतर शिक्षा विभाग" (Department of Higher Education). The main content is a "User Login" form with fields for "User Id" (stjosephpvt), "Password" (masked with dots), and "Enter Captcha Code" (FUKNR). There are "Login" and "Clear" buttons at the bottom of the form. The browser's address bar shows the URL "https://dcf.aishe.nic.in/aishe/new/#/institutionallogin".

The screenshot shows the St. Joseph's Training College, Pavaratty portal. The page title is "ST. JOSEPH'S TRAINING COLLEGE, PAVARATTY". The main content is a "List of Registered Candidates" for the "First Semester B.ED. Regular Examination II/2024 (2024 Admission)". The "Programme" is set to "B.ED. MATHEMATICS". The table below lists the candidate details and courses selected.

Candidate Details	Courses Selected

Annual e-governance report

St. Joseph's training college Pavaratty acquires e-governance in the year 2018 onwards. Our college installed a soft ware named e-college solution from GJ INFOTECH (P) LTD. which provides an online automatic backup system for better data security. This makes the data handling in office works very efficiently and effectively. All the works related to planning and development, administration, students' admission and support etc are makes very easily. The e-finance solution software also helps to deal financial and account section very efficiently. A biometric attendance system from occhio technologies helps to take and record the attendance of staff and students. Our college has 49 CCTV cameras for maintaining security and achieving discipline. The examination notification and uploading of internal marks were done on the website of university of Calicut.

- Planning and Development : Implemented "e-college solution" from GJ Infotech (P) LTD, located at Union Complex, Udaya Junction, Irinjalakuda. Started in April 2018.
- Administration : Uses "e-college solution" by GJ Infotech (P) LTD since April 1, 2018.
- Finance and Accounts : Equipped with "e-Finance Solution" by GJ Infotech (P) LTD, initiated on April 1, 2018.
- Student Admission and Support : Runs on "e-college solution" from GJ Infotech (P) LTD, operational since April 1, 2018.
- Examination System : Integrated with the University of Calicut's website since 2016.
- Biometric/Digital Attendance : For Staff : Implemented by Occhio in 2020.

For Students : Also provided by Occhio since 2020.

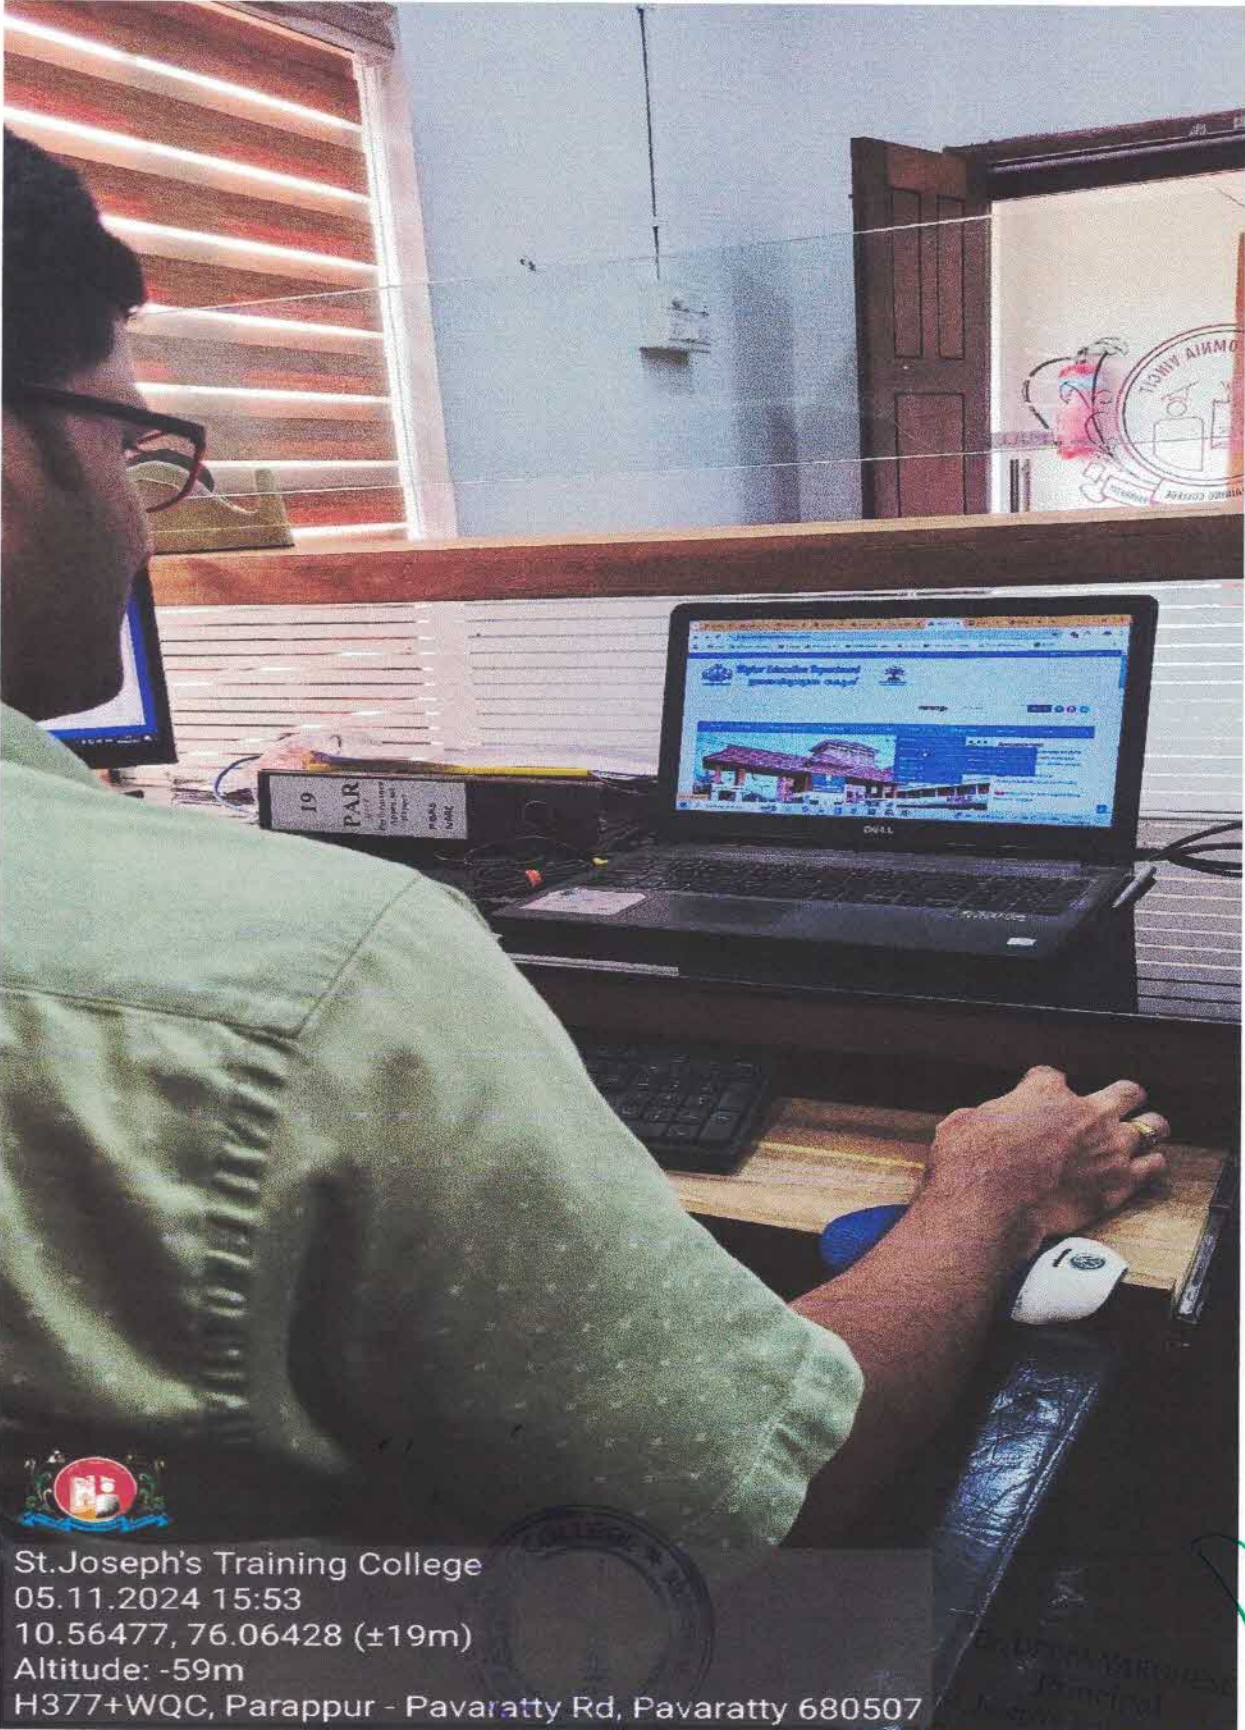

These solutions are provided and managed by GJ Infotech and Occhio for specific administrative and operational needs.

TO WHOM SO EVER IT MAY CONCERN

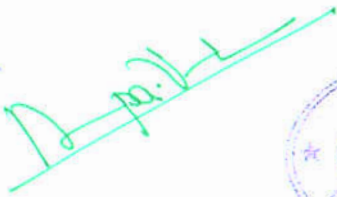

Certification of Green Practices and Initiatives Expenditures in the Annual Income and Expenditure Statement

This is to certify that M/s **St. Joseph's Training College**, Pavaratty, Kerala does not have a separate Expenditure head for green practices and initiatives in its Annual Income and Expenditure statement. Instead, expenses related to green practices and initiatives are included under the broader head categories of Celebration Expenses, Advertisement Expenses, Cleaning Charges, and Gift and Presentation.

This certification is issued upon request for record-keeping purposes at St. Joseph's Training College and further explanations given us.
